

TO ALL PARTIES AND TO THEIR ATTORNEYS OF RECORD:

PLEASE TAKE NOTICE THAT on March 5, 2018, at 10:00 a.m. before the Honorable Dean D. Pregerson, United States District Court Judge for the Central District of California, 350 West 1st Street, Los Angeles, CA. 90012, Plaintiff Robert Cohen, by and through his undersigned counsel of record, will move, pursuant to Fed. R. Civ. P. 23(e), for the Court to enter an Order finally approving the proposed class action settlement agreed to herein, in the form submitted herewith.

In support of this Motion, the parties submit, as more fully described in the accompanying Memorandum of Points and Authorities in support of this final approval Motion, the supporting declarations and exhibits thereto, and any other written and oral arguments that may be presented to the Court, that this settlement represents a fair, reasonable and adequate compromise of the claims asserted in the Class Action Complaint providing significant benefits to the Settlement Class in exchange for release of claims, as set forth in detail in the Settlement Agreement previously filed with the Court.

This Motion is based on the Court's Order, issued on November 13, 2017 (Docket ("Dkt.") No. 71) (1) conditionally certifying a settlement class, (2) preliminarily approving class action settlement, (3) approving notice plan, and (4) setting final approval hearing; and for limited production of personally identifiable information to facilitate administration of class settlement, and the papers submitted in support of that motion, which are incorporated by reference, Dkt. 65.

CIVIL RULE 7-4(a)(3) STATEMENT OF ISSUE TO BE DECIDED

Whether the Court should enter an order finally approving the proposed class action settlement pursuant to Fed. R. Civ. P. 23(e).

1 Dated: December 15, 2017
